

		Grade 4 Math Section 2 Bruiser (gr4math02)	Grade 4 Math Section 3 Carnelion (gr4math03)	Grade 4 Math Section 4 Jones (gr4math04)	Grade 4 math Section 1 Superteacher (gr4math01)
Standard	AVERAGE	921/1071:85%	839/969:86%	1043/1224:85%	1020/1173:86%
I can evaluate and express relationships using open sentences with one operation	288/348:82%	64/84:76%	63/76:82%	86/96:89%	75/92:81%
I can use the symbols <, >, = WITH the use of a numberline to compare whole numbers	720/783:91%	176/189:93%	159/171:92%	197/216:91%	188/207:90%
I can use the symbols <, >, = without the use of a numberline to compare decimals	120/174:68%	33/42:78%	27/38:71%	30/48:62%	30/46:65%
I can use the symbols <, >, = without the use of a numberline to compare whole numbers	340/348:97%	84/84:100%	76/76:100%	88/96:91%	92/92:100%
4.A.03 Find the value or values that will make an open sentence true, if it contains < or >	140/174:80%	34/42:80%	32/38:84%	40/48:83%	34/46:73%
I can describe, extend, and make generalizations about geometric patterns	435/522:83%	93/126:73%	95/114:83%	121/144:84%	126/138:91%
I can describe, extend, and make generalizations about numeric patterns	81/87:93%	17/21:80%	18/19:94%	23/24:95%	23/23:100%
I can look at a pattern and state the rule when I am given a table	294/522:56%	78/126:61%	51/114:44%	83/144:57%	82/138:59%
I can look at a pattern and state the rule when I am given an input/output box	290/348:83%	69/84:82%	71/76:93%	79/96:82%	71/92:77%
