

Description Gr 4 Math Unit 3 Quiz 3 Decimals and Fractions

Subject Mathematics

Grade Level 4 Type(s) Teacher

Date 11/21/2011

Student Ted Ainslie **ID#** 6667

Sect	#	Standards	Test Ans	Your Ans / Pts	Correct	Know	Simple Mistake	Need Help
1	1	I can use the symbols <, >, = WITH the use of a numberline to compare decimals	a	b / 0	No			
1	2	I can use the symbols <, >, = WITH the use of a numberline to compare unit fractions	c	b / 0	No			
1	3	I can use the symbols <, >, = without the use of a numberline to compare decimals	d	e / 0	No			
1	4	I can use the symbols <, >, = without the use of a numberline to compare unit fractions	a	/ 0	No			
1	5	I can use the symbols <, >, = without the use of a numberline to compare decimals	d	e / 0	No			
1	6	I can use the symbols <, >, = without the use of a numberline to compare unit fractions	b	d / 0	No			
1	7	I can use the symbols <, >, = WITH the use of a numberline to compare unit fractions	c	c / 1	Yes			
1	8	I can use the symbols <, >, = WITH the use of a numberline to compare decimals	c	d / 0	No			
1	9	I can use the symbols <, >, = WITH the use of a numberline to compare unit fractions	a	a / 1	Yes			
1	10	I can use the symbols <, >, = WITH the use of a numberline to compare decimals	a	b / 0	No			

I am good at these	I am pretty good at these but need a little review	I need to keep learning these
